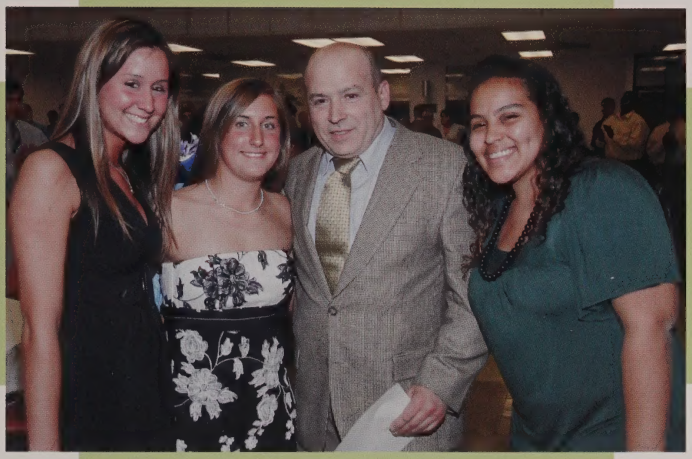
Dedications

This final yearbook dedication will be presented to a man who will always have a special place in the hearts of every person from the Class of 2008. We all have known him for four years, and he has truly been a huge part of our high school careers. He has always been there for his students, whether it was helping to solve problems, or even getting a blue slip torn up. He is a true role model and a loyal friend to all those who know him.

This man was a graduate of Waltham High School, and also a graduate of Suffolk University. After his college years he returned to Waltham, where he has dedicated the past 35 years to his community. He started his career as a type-writing teacher, and currently holds the job as the Senior House Master. As much as he has been involved within the school system, he has also made a tremendous effort to involve himself outside of school. He has supported all of the sports teams, plays, musical performances, and other school events throughout the years.

Although he is known to us as a dedicated housemaster, he is also known as a devoted husband and a loving father to his wife and three sons. And as most of us know, this man is a faithful Red Sox and Patriots fan; however, I feel as though all of his love towards the Red Sox and Patriots cannot even be compared to all of love that the class of 2008 has for him. He will truly be missed by all next year, and he will always be remembered by his students. The yearbook staff would like to present the 2008 Mirror Dedication to none other than our housemaster, Mr. Anthony Piantedosi.



In life you have to overcome many obstacles blocking your path to success before you can reach the top. These challenges can often become discouraging and many times it is easier to give up and lose sight of your dreams than to keep pushing through all the set backs. This person, who has taught and coached at Waltham High School for over 15 years has shown us how to preserve through tough times by leading by example. He has been very involved in the academic as well as the social aspects of Waltham High throughout his years here. He has taught both Italian and Spanish, coached boys soccer and girls lacrosse, chaperoned dances, and has been active in many other school activities. We admire him for his positive attitude, strength, courage, and most importantly his will to never give up. As we approach graduation we hope that we may emulate the values that he has demonstrated and use them in our future. We wish him the very best of luck and would like to thank him for all he has done. The class of 2008 is truly honored to present this year's yearbook dedication to Mr. Peter Marini.

Dedications

We the class of 2008 are proud to dedicate this year's yearbook to a remarkable woman. She began teaching at Waltham High School on September 1, 1970 in the History department with a starting salary of $8,725 per year. For the past 25 years, she has been the only teacher to teach psychology. Anyone who referred to her as Liz or Betty would be met with an icy stare and a reply "My name is Elizabeth". Elizabeth Collins grew up in the neighboring town of Lexington. She graduated from Lexington High School and went on to Newton College of the Sacred Heart. Her ambition was to be a librarian. After graduating from college, she went to Japan and taught English to University students. Retuning home she went to Boston College to earn her Masters Degree.

Miss Collins is indeed a world traveler. She is someone who yearns to teach children in need wherever they may be. She has taught in Jamaica, Tanzania, and Peru. As her director says, "every seven years or so, I can tell she is getting that itch to go half way across the globe and teach those less fortunate than she". In 1976, Miss Collins went to Jamaica with the Jesuit missionaries. She has traveled throughout Europe, Asia, Africa North, Central, and South America. The only continent she has not explored is Australia.

Her teachings, tales, and experiences from her trips have always kept her students captivated. Miss Collins is a very strong woman with a tender side. In the 70s she had to use the Vulcan Squeeze on one of her students to calm him down. Dr. Spock of the USS Enterprise would have been very proud of her. Miss Collins is a Waltham Super Fan. Over the past 38 years, she has attended both boys and girls sporting events. She loves to see her students in the classroom as well as out of the classroom.

Miss Collins is a 20-year survivor of Cancer. She loves her two Siamese cats with all her heart. She loves gardening and has an exquisite flower garden. They say that she as a magic touch with her flowers; I say that she has a magic tough with her students.

I am truly honored to present to 2008 Mirror Dedication to Miss Elizabeth Collins.

Greek philosopher Plato once said that the direction in which education starts will determine future life. But just as education determines the direction of lives, so too do certain lives impact the direction of education. This person has a passion for teaching like no other and believes that a good education is very important.

Growing up in Somerville with her parents Timothy and Molly Dudley and her sister Mary, she attended the Cathedral High School and went on to college at Northeastern University with a major in Education. In the 70s she went back to school to become a nurse. At a time when most women did not have careers, she had two. She then married her husband Anthony and moved to Waltham, where she raised her 5 children, Anthony, Michelle, James, Bernadette and Kristine. She also has four beautiful grandchildren, Danielle, Sophia, Anthony and James. During her brief break from teaching, she realized her true passion and returned to the profession. And in 1982 she taught at the vocational school as an English and Social Studies teacher. She instilled in all her children the importance of having an education, all of who graduated from Waltham High and went on to be successful in their chosen careers. In fact, because of her love of teaching, one of her daughters also became a teacher and is teaching currently in the Waltham school system. She has been teaching in Waltham for over 26 years, and always brightens up the halls with her smiles and cheerful hellos. Her family means everything to her, but she will also go the extra mile for her students.

Not only has she taught us the history of the world but also to see the good in people, how to be strong, believe I ourselves, and that you can overcome any obstacle. And personally I can say that she has taught me that nothing is impossible. This year's yearbook staff would like to present the 2008 yearbook dedication to Mrs. Barbara Scichilone.

This year we finished 5-5 with our highlight of the season beating Cambridge and finishing 5-1 in the GBL. Seniors Steve and Don Hopkins, Chaz Agrillo, Carl Russo, and Chris Sullivan were named 1st team GBL all-stars along with second teamers Ryan Navin and Mike Doucet. As always we played one of the toughest schedules in the state, including games against Xaverian, Brockton (Big three Champion), Acton-Boxboro (Tri Dual County League Champion) Chelmsford (Merrimack Valley Champion).

Football Cheering

Having a new coach and a young team presented itself as challenging in the beginning of the season. Led by captain Breanna Arsenault and seniors Kia Eastman, Brittany Glynn, Kasey Rowland, and Erin Walsh, the team soon became unified as one. From there, we were able to accomplish our goals that we set for ourselves. Through practice, we grew as a team and we will never forget the friendships that were made throughout the season. The team stuck together through difficult moments and was able to end the season on a positive note. Although the team is young, the future looks very bright for the football cheerleaders.

Good luck next year girls!

The boys soccer season did not go as expected, even though we started with successful double session practices and remained undefeated during pre-season. Unfortunately, due to the grade policy by the MIAA, some key players were not able to participate. We also had many injuries throughout the season ranging from knee injuries to hip injuries. Towards the end of the season, most players were healthy and able to compete against highly ranked teams such as Peabody. Unfortunately, it was too late to make a run to the play-offs. It was very disappointing to the team and especially the seniors. Fortunately, some seniors did not end their soccer careers on our last game because they have been scouted by both colleges and soccer clubs. The Captains wish for better seasons for the upcoming teams, and for good luck in the Dual County league next year.

The girls soccer team was very succesful in their last season participating in the Greater Boston League. We suffered from a plethora of injuries ranging from ACL tears to broken jaws and noses. Even with many starting players facing injuries, Waltham could count on sparks off the bench to pick up enthusiasm and energy on the field. The contributions made from each and every player made the lady hawks a highly competitive team. Due to the hard work and dedication from every player on the team, we qualified for the state tournament again, but unfortunately lost to Masconomet. Best of luck to the seniors next year, and to the underclassmen in the Dual County League.

The Lady Hawks had an incredible season this year going 16-3-2. Our 9-0 GBL record was just one of the many goals that we met this season. It was even more of an accomplishment for us to have made it to the second round of tournament where we regrettably lost, in overtime, to Acton Boxboro, who went on to become the State Champions. Although, we had a spectacular season that we will remember for years to come, it is the chemistry of the team that will last for a lifetime. Everyone stepped up to the challenge and worked hard for each other instead of for themselves. For the seniors who are leaving I wish you the best of luck, and for the girls who will be here next year, good luck in the DCL!

Surpassing all expectations, the Waltham High School Golf Team started the 2007-2008 season on a hot streak. Led by freshman star Chris Rollins, the golf team paved its way to many victories. Junior Mike Oliveri also came up big with some key victories at the no.2 spot. This year's team was very young, having only three seniors, co-captain Billy Keating, co-captain Luis Burgos and senior Tim Doolin while the rest of the team was mostly sophomores. The team has also had many people who stepped up. Sophomores Chris Annunciata, Mike Bothe, Mike Lombardi and Steve Paul all improved greatly in the off-season. The rivalry between Arlington over the past few years had ended when we beat them in a tight match. The Hawks finished the season with an overall record of 13-2, going undefeated in the GBL with 6-0. Our only losses were stemming from non-league powerhouse Shawsheen Valley Technical. Because of our outstanding record, 6 players qualified for sectionals and as a team we came in 10th place. In the annual GBL tournament, freshman Chris Rollins and sophomore Mike Oliveri tied for top honors by scoring 80 points each, and tied for 1st place. Most of these accomplishments couldn't have been done without the dedication of our coach, Russ Sorin. On behalf of the rest of the team, the seniors would like to thank our coach and our younger teammates for stepping up. Good Luck Hawks as you enter the Dual County League.

This year, Cross Country had a very young team. Although our record may not have shown it, we were able to come together as a team and get better as the season went on. Every runner on the team improved as well and got stronger every race. Everyone experienced personal best times and made sure that practice was always taken seriously. With the boys team only losing two seniors, it will give the team a chance to improve in upcoming seasons and develop an even stronger bond. Best of luck next year to all seniors and upcoming players.

This year's volleyball team was one of the best since 1978. We had so much fun being the top team. We put loads of time and effort into perfecting our skills. The team was larger than usually is, however, there was not a person who didn't contribute. We encouraged each other to strive for the best, helped each other learn, and jointed together in those tough games to make sure we pulled out a win. Many great friendships were formed on the team while we carried ourselfs to an undefeated season in the GBL and the title of GBL Champs! Our coach, Mike, was our biggest asset. Believing in us from the start, Mike sacrificed so much time and money for the team. We had our star players, who might have been recognized the most, however it was a team effort through every game and without any of the players a championship would not have been possible. It was an awesome way for all the seniors to end our high school volleyball careers.

The 2007-2008 Waltham High School Hockey team was one that we will always remember. With thirteen seniors leading the team, we captured three GBL championships in four years. We also made two out of four Super 8 appearances. The Hawks record was 16-6-3, while tri-captain Steven Hopkins broke the school record for the most shutouts in a season. In a new division next season, seniors Danny Murphy, Joel Romano, and Lucas Breton will lead the Hawks to a strong year. The graduating class of 2008 thanks the underclassman for their contribution to a great season. We wish them good luck for next year.

"Despite the record we had this year, the team really came together and played hard. We opened the season with a great win over Medford but the next few games proved to be a challenge. The Lady Hawks basketball team came into the 2007-2008 season with a strong group of seven seniors. The team was led by GBL All-Star Co-Captains Renee LeBlanc and Sabrina Ruffin. The Lady Hawks ended their season with an overall record of 10-9 and came in second place in the GBL. The team was successful in making the state tournament for the first time in four years. Although ending our season by losing in the first round was a disappointment, all the girls played really well. Co-Captain Renee LeBlanc entered the 1000 Point Club by a scoring a total of 1,105 points in her high school career. Good Luck to next years Lady Hawks!

The 2007-2008 season for the Waltham Hawks wrestling team was a positive one. We were able to finish above .500. The team was really young with only four seniors. With the underclassmen stepping up we were able to pull off a memorable season. Our match against Lexington was truly the highlight of the season. We were losing the match and were able to come back and win by a slim margin. This year we had four sectional first place winners: Captain Dan Smith, Captain Marco Duca, Ricky Caruso, and Joey Catino. Along with these four, five others qualified for states making a nine man team to represent Waltham in the state tournament. Ricky Caruso and Joey Catino were also able to qualify for all states. Overall, the 2007-2008 season was great and the seniors are looking forward to our young team having a succesful 2008-2009 season. Good luck next year in the Dual County League!

This year's indoor track team was led by captains Jeff Healy and Alex Ward, and the many seniors who had an outstanding season. We brought in a lot of points through the high jump by Healy and the shotput by senior Michael Doucet. Our record was not a reflection of how hard we worked every day. Next year's season looks hopeful for the returning athletes led by D.J. Nurse, Ivan Colon, Ken Tran, and Michael Graceffa.

The girls indoor track season went well for the lady hawks. Finishing the season with only one loss to Somerville, the team improved tremendously as the season progressed. There was great improvement and success in the underclassman as well. With only a small group of returning upperclassman, there was a lot of pressure put on the newer girls and they stepped up and performed meet after meet. As the Hawks enter the DCL next year, the girls track team will rise to the occasion.

The 2007-2008 swim season is one to remember. The girls finished off the season with an 8-5 record and the boys finished with a 7-6 record. Erin Stanton and Michelle Piedrahita were the Co-Captains this season. The team had some phenomenal swims this season. With a great deal of hard work and determination a group of boys as well as girls qualified for Sectionals; the girls continued and qualified for States as well. Jenny Doolin, a sophomore, broke 5 records this season which include the 200 I.M., the 500 & 200 freestyle and the 100 butterfly. Jenny along side with Stacy Burns, Alex Guelli and Jessica Causland broke the school record in the 200 freestyle at Sectionals with a time of 148.87. This season seven girls and four boys were honored as GBL All Stars. This was our last season in the Greater Boston League and Waltham Swimming and Diving has certainly left their mark.

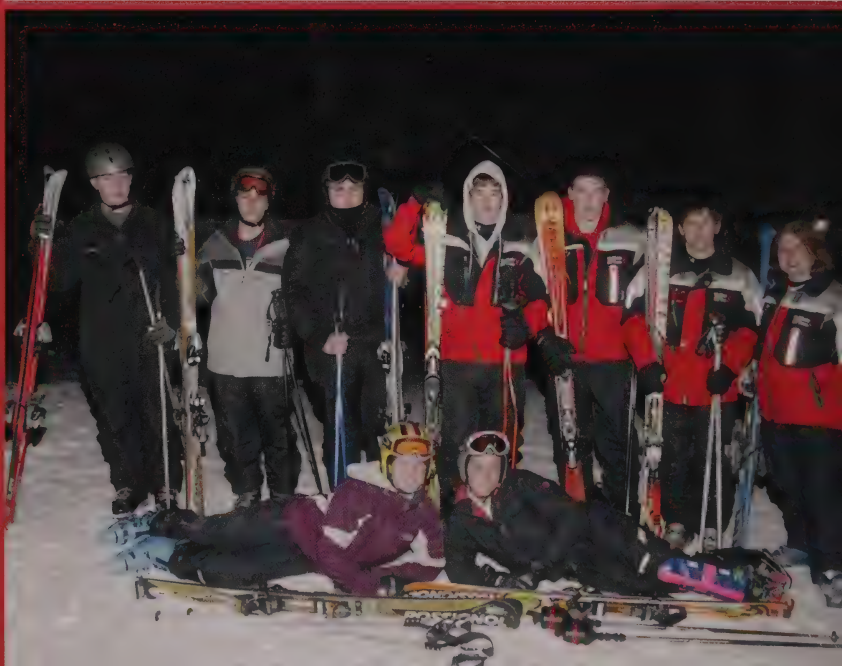
Danielle Scanlon, Jen Gullotti & Jared Taber all qualified for states at Watchusett Mountain. Congratulations!



The Waltham High School ski team did very well for a team only being made up of seven racers. Sophmore Danielle Scanlon finished first in the league followed by Senior Jen Gullotti finishing second. Sophmore Jared Taber finished tenth in the big school divison of our league. These three racers made it to States. At the State meet Danielle Scanlon placed third in the Slalom and fifth in the Giant Slalom beating the best showing at the states since 1984 for the girls team. Jen Gullotti placed fifth in the Slalom and Jared Taber finshed in the top half of each race. Hopefully, next year will be as successful as this year has been. To all the remaining racers, Good luck next year.

Even before the 2008 lacrosse season started, the Lady Hawks all knew there would be huge expectations to fulfill. We already had a strong team heading back into the season, which included a group of fourteen talented and dedicated seniors. This year's team would definitely be remembered as being one the best lacrosse teams in the program. We were able to prove what a strong team we were by ending our season with a record of 12-8-0. We were also able to qualify for the Division 1 North Tournament, where we unfortunately suffered a devastating loss against Lexington High. Even though we lost that game, I sincerely believe that everyone was able to end the season with no regrets. I wish next year's lacrosse team good luck, and I wish for nothing but the best in the Dual County League.

Boys Outdoor Track

Though many people thought the track team would not do as good as pervious years with last year's track star seniors leaving, we still had a outstanding season. We finished second in the GBL with a 5-1 record. We owe our victories to the many people who stepped up and surprised the coaches and the captains. As we always have had a good running team, our jumping and throwing team was unmatched in the GBL. This year, the track team was able to produce 3 qualifying athletes for the state coaches meet, 4 for the State meet, and 1 for the all-states meet. Overall, it was a great season with great results. With all the young talent this year, I have no doubt that the team will do even better in the DCL.

The girls outdoor track team had many firsts this year as they ran through their last season in the Greater Boston League. Going undefeated for the season, the girls team not only were GBL champions, but they also won the GBL meet. Starting off the season with a strong win against Somerville, the team knew they had a shot at the league title. As the season drew near an end, it was the powerhouse, Cambridge, that posed the biggest threat. In a close meet, it came down to the 4 by 400 meter relay, and a group of talented underclassman won the meet for Waltham. With an undefeated season under their belt, the pressure was on to win the league meet at home. Waltham was behind by four points going into the last race, and the 4 by 800 meter team placed first, winning the meet. The girls track team finished the season setting records and making history. Best of luck to the Waltham girls as they enter the Dual County League next year.

Waltham Hawk's Boys Tennis came out expecting anything possible. After hearing the news that their previous coach would not return, the team did not know what to expect. As the practices started, the team was still looking to grow and wanting to find ways of creating a successful lineup. The lineup consisted of mostly seniors, including Captain Dan Ovechkis who played number one singles for most of the year. Seniors Billy Keating, Randy Lopez, Joey Rose, and Michael Tortola all contributed greatly to the team's success as the lineup was frequently switched around. Throughout the season, there were frequently memorable matches that came down to the last point where Waltham usually came out on top. Not only did the team gain magnificent success under Coach Ramsey, they knew how to help one another when it came to technique, focus, and passion. Boy's tennis will begin to face some intense competition in the Dual County League next year but they will continue to succeed for many years to come. Finishing with a 7-11 record, Waltham Boy's tennis ended its Greater Boston League career on an excellent note. Thank you to all my fantastic teammates for an extraordinary season, and the best of luck to Coach Ramsey and the future of Waltham High School's Boy's Tennis Team

This year the girls tennis team compiled an 11-7 record behind the dominant play of first singles player Olga Dolgopolova, who finished the regular season undefeated. In her second season, Coach Lori Casinghino used her passion for the game and great teaching skills to lead the team to 2nd place in the GBL and a state tournament berth. The team was led by co-captains Julie Auld and Clair Weatherby, as well as seniors Samantha Rogers and Julia Paltseva. Juniors Darja Mihailova and Maggie McGuire, the hard-hitting first doubles pair, filled out the lineup. Despite a tough loss to Lincoln-Sudbury in the first round of the tournament, it was a successful season with close matches against Somerville and rival Arlington. The underclassmen and upperclassmen came together and made everything fun and enjoyable.
